

Savannah Club Is After "Monk" Walter, Crack Local Outfielder

"Monk" Walter to Enter Pro. Ranks

Crack Local Outfielder Is Sought by Savannah Club of South Atlantic League—Amateur Commission Meets To-night.

By G. W. SWAN.

"Monk" Walter, the fast and heavy-hitting local amateur, will more than likely be signed by the Savannah club of the South Atlantic League some time to-day or to-morrow.

Scout Doyle made "Monk" an offer last night, and the speedy boy accepted. While nothing definite was learned last night, Scout Doyle said that as soon as "Monk" transportation arrived he would be sent to the Southern city.

"Monk" has played great ball this season, both for Commerce and Labor and for the Ninth team in the Sunday School League. Hitting well over the .300 mark in both circuits, "Monk" is one of the fastest men on the bases in the city, and is famed for his ability to slide around the bases.

Many claim that "Monk" is without a peer in the amateur ranks, and all of his many friends are pulling hard for his success in the salaried game.

That the Ingram team will stick to the Sunday School League is now an assured fact, and with the addition of such stars as McMorris "Bill" Burley, Tiley, and Shalin, the youngsters are bound to give the Hamiltons a rub for the pennant.

There is a persistent rumor going the rounds out in Lincoln Park that the Ninth team will come back into the league. Should the Christians do this, it will be the best thing for the league and the team.

To-day's game in the Commercial League should be a hummer. With Willard and Walcott fighting for top honors, the fur is bound to fly.

The Commissioners will present a different line-up this afternoon against Adams. A surprise is in store for the Expressmen, and a good game should result.

The Marquette League will hold in a protest at the meeting of the amateur commission to-night at Spalding's store. The game between the Naval Medicine and Indian Office is the point in question.

President Young will no doubt remove the suspension of players Smith and Gobel, of the Ingram team, to-day. This is in keeping with his policy of inflicting punishment and then when he sees that the culprits are sorry for their misdeeds, removing the suspension.

Sunday, at Capital City Park, Seware Pumping Station will play an all-star team at 3 o'clock.

EASTERN NOSED OUT.

Cornell Takes Fast Game in Capital City League, 7 to 6.

Cornell defeated Eastern in a well played game at Capital City Park yesterday, 7 to 6. A little excitement was witnessed from McDonald's hitting and a catch by McCormack. Score:

LOCAL BOY SLATED FOR BIG LEAGUE.

JOE GIEBEL.

Former Washington sandlotter, who is doing great work for Savannah, and who has been sought after by several major league clubs.

Big League Clubs After Joe Giebel

Reports from Savannah Say That the Nationals Have Option on Former Washington Sandlot Catcher—Is Hitting Ball Hard.

Joe Giebel, the former Washington sandlotter who is putting up a great game behind the bat for the Savannah club of the South Atlantic League, has been under the eyes of several big league scouts the past few days, and if the reports from Savannah are correct, the crack local boy will be in major league ball next season.

Giebel has been catching great ball in the Sally league and his work has attracted the attention of more than one scout.

Early this week no less than three scouts were in Savannah looking over the Washington boy, and from all reports from the Southern city Joe will be in a big league uniform before another year is out.

In reply to a wire last night, Secretary Corliss, of the Savannah club, replied that an option of one week had been given a major league team on Giebel, and from the looks of things in the Southern town, Washington is the team that has the option.

Should Giebel be given a trial here, he would have all the chance in the world to make good, as the Nationals are now going after young blood hot and heavy.

Belmont, the former Carlisle Indian football and baseball star, has been signed by the Cincinnati Reds. Belmont had been tipped off to the local owners, but they were too late to land him.

"Yum" Moreland, another local amateur, is the property of the Cleveland Naps and will be given a try-out by the next spring. Joe Sugden, the former catcher, signed "Yum" while on a trip through the Tidewater circuit a few weeks ago.

A few more days will bring several youngsters to the Nationals, as one party deeply interested in the Nationals financially said last night: "We have had a poor team as long as I can remember, and now it is time to stop. We have given orders to stop at no price, but to get some real ball players, in the bushes or any place else on earth." This shows that the owners are after the youngsters and will get them if they are to be gotten.

Dick Robertson is cracked up to be the best twirler in the Sally league, and with another year of experience the big circuit scouts pick him to be a wonder. Sugden said that Dick had one of the best spitters he had ever caught.

MANHATTAN WINS FROM WAVERLEY

Youngsters Fight Hard, but Veterans Win Out.

Fighting every inch of ground, Waverley threw a scare into Manhattan and all but defeated it in a splendid contest, the score being 6 to 5.

Waverley gained an early lead on the leaders, which it held until the fourth inning, when Manhattan stepped to the front with five runs. Manhattan added another in the fifth, which ended its scoring for the game.

Waverley fought steadily on, getting one run in the seventh and two in the eighth. In the ninth, with two down, Roache reached first on a base on balls, stole second, but was thrown out attempting to steal third. Score:
